

We have two Courthouses in Jackson.

The Historic Ed Jones Courthouse built in 1932 and home to a beautifully restored Courtroom and Chambers. Although aesthetically true to the original design, we have included modern courtroom technology.

Next door is the New U.S. Courthouse built in 1998 with completely renovated AV systems in 2004 . All the Jackson Courtroom's have the following equipment;

Dedicated microphones at each speaking position.

Ceiling speakers located for optimum sound.

2 Lapel Mics

1 Handheld Wireless Mic

Digital Document Camera

Laptop inputs (VGA) at counsel tables and podium

50" Plasma Monitors for Jury

17" Monitors at counsel, witness and podium.

21" Judge Monitor

Infrared hearing assistance

Telephonic interpreter equipment

Color Evidence Printer

Video Conference, IP or ISDN

Call Patrick Bumpass @7314219200 to arrange a demonstration
